CASE NO. 8552

O R D E R

Big Sandy Rural Electric Cooperative Corporation ("Big Sandy") filed its request, by letter received June 18, 1982, for approval to utilize Frankfort Meter and Electric Company, Frankfort, Kentucky, for testing of its new meters.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. In accordance with 807 KAR 5:006, Section 13, Paragraph (2), "A utility may have all or part of its testing of meters performed by another utility or agency approved by the commission for such purpose."

2. The proposed testing arrangement is in the public interest and should be approved.

3. The approval of the proposed arrangement does not relieve the utility from the responsibility of insuring that all tests of meters and measuring devices are performed in accordance with the requirements of the rules and regulations of the Commission.

IT IS THEREFORE ORDERED that Big Sandy be and it hereby is granted approval to utilize the services of Frankfort Meter and Electric Company, Frankfort, Kentucky, for the testing of its new meters.

Done at Frankfort, Kentucky, this 6th day of July, 1982.
